Upcoming Events

Sunday, January 8: 9:45 am College & Career age Small group will be studying the book “Crazy Love” by Francis Chan.

Launching College and Career Small Group

The College & Career Small Group will meet Sundays at 9:45 am. It is open to anyone and is focused on college students and young adults age 18+ to come and share their experiences, hardships, challenges and goals during an exciting but stressful time in their lives.

The College and Career group exists mainly to provide a place for people to plug into the small group experience at a time in life when it's needed the most. We understand that there is often a gap in ministry between the high school youth group and the 18+ and up age group. That gap in ministry often leads to a gap in many young Christian's faithfulness after high school and through the college years often until those individuals start families and begin attending church again for their "children's" benefit.

At Christ Community we want to close that gap. We want to ensure that when a young person graduates from high school and starts looking at the prospect of starting a new life by attending college, moving out on their own, or joining the full-time workforce that they still have a place to plug into our church family and grow in their faith. We hope you will be able to come and check out the group starting **Sunday, January 8th** and see if it is a good fit for you!

With sincere thanks...

Pastor Mike & Dana and Pastor Peter & Deb Bors want to express their sincere thanks and heartfelt gratitude for the many cards and gifts they received during the Christmas season.
