Net-Work, our church family, confidential email distribution list:

Practicing Social Distancing

To comply with our health official's recommendations, we are canceling all gatherings until further notice; this includes Sunday morning worship service, Sunday school, Wednesday evening activities, and ministry team meetings. For planning purposes, we have gone ahead and canceled the Maundy Thursday service and the Easter Breakfast.

Staying Connected

We will stream our worship service Sunday mornings at 10:30 AM on the church Facebook page, www.facebook.com/ChristCommunityEFC/.

We also hope to stay connected through the week, Monday through Friday, at 7:30 PM. With Facebook Live, you can connect Monday and Thursday evenings for devotions and songs. And on Friday evenings Lighthouse Friends will connect with Pastor Luke.

Join us on Zoom: As a church, we are looking for creative ways to stay connected. Zoom is a video conferencing service that is free to use and works across all platforms; PCs or Macs, Android, or iPhone. By downloading the app or by going to www.zoom.us, you can join a meeting. All you need is the meeting ID#. The church meeting ID# is 367 345 6896.

Note: You do not have to sign up or create an account to use this free service to join a meeting. Where prompted, you will click on "Join a Meeting" then enter the meeting ID#. However, you may find this a great way to connect with friends and family while staying home. You will need to create a free account if you want to host your own meeting.

Pastor Luke will be hosting a time with the 2:42 Youth Ministry on Tuesday evenings, starting at 7:30 PM.

Pastor Mike will be hosting the Wednesday evening adult Bible which will start at 7:30 PM. However, Pastor Mike will be online earlier if you want to test your connection.

Everyone is invited to join Pastor Mike for a time of prayer beginning at 7:30 PM. Pastor Mike will be online earlier if you need help connecting. Call or text him if you need help.

Giving

We are now set up for online giving. To give online, go to the church website and click on the “Give” tab. From there, you will see the link to give. Or go directly to <https://app.easytithes.com/app/giving/ccefrees>

You can still mail your checks in to the church address or, if you would like, some are giving through their bank online bill pay.

Tech Help

As we are making an effort to make use of technology to stay connected as a church family, we want to make sure no one is left behind. If you would be willing to help others get connected, please contact Pastor Mike or Pastor Luke. Better yet, make a call to some of the folks in the church and offer to help them.
